FOR IMMEDIATE RELEASE

Air King Earns 2019 ENERGY STAR® Partner of the Year - Sustained Excellence Award

West Chester, PA – April, 2019 – Air King America, LLC is proud to announce that it received the 2019 ENERGY STAR® Partner of the Year Sustained Excellence Award for continued leadership and superior contributions to ENERGY STAR. Air King’s accomplishments will be recognized by the U.S. Environmental Protection Agency and the U.S. Department of Energy at a ceremony in Washington, D.C. on April 11, 2019.

Air King America, LLC an ENERGY STAR partner, will be honored as a partner of the year for its dedication to producing energy efficient ventilation products including exhaust fans and kitchen range hoods.

Air King president, Jeff Kenkelen says, “Being named an ENERGY STAR Partner of the Year for our sixth time and now to be elevated to Sustained Excellence is truly an honor. We are extremely thankful for the dedication and effort all our employees put forth each and every day. Being able to acknowledge everyone’s hard work is great. This is an award we share as a whole company.”

“I applaud the 2019 ENERGY STAR Award Winners,” said EPA Assistant Administrator for Air and Radiation Bill Wehrum. “Their innovation and leadership enhance America’s economic competitiveness. Reducing costly energy waste improves air quality and public health while protecting the environment.”

The highest honor among ENERGY STAR Awards is the ENERGY STAR Partner of the Year—Sustained Excellence Award. EPA presents the Sustained Excellence Award to partners that have already received ENERGY STAR Partner of the Year recognition for a minimum of two consecutive years and have gone above and beyond the criteria needed to qualify for recognition. Winners hail from small, family-owned businesses to Fortune 500 organizations – representing energy-efficient products, services, new homes, and buildings in the commercial, industrial, and public sectors.

About ENERGY STAR

ENERGY STAR® is the government-backed symbol for energy efficiency, providing simple, credible, and unbiased information that consumers and businesses rely on to make well-informed decisions. Thousands of industrial, commercial, utility, state, and local organizations—including more than 40 percent of the Fortune 500®—rely on their partnership with the U.S. Environmental Protection Agency (EPA) to deliver cost-saving energy efficiency solutions. Since 1992, ENERGY STAR and its partners helped save American families and businesses nearly 4 trillion kilowatt-hours of electricity and achieve over 3 billion metric tons of greenhouse gas reductions. In 2017 alone, ENERGY STAR and its partners helped Americans avoid \$30 billion in energy costs. More background information about ENERGY STAR can be found at: energystar.gov/about and energystar.gov/numbers.
