

FOR IMMEDIATE RELEASE

## Bring European Style to Your Kitchen

August 4th, 2010  
West Chester, PA

The Air King Segovia Series wall mounted chimney range hood brings a new level of elegance to kitchens. When looking to design the kitchen of your dreams look no further than the Segovia Series for your ventilation need.

Barcelona<sup>®</sup>  
Collection

Part of Air King's Barcelona Collection, the Segovia Series provides powerful performance that can properly ventilate almost any residential kitchen. Electronic controls and dishwasher safe grease filters allow the range hood to be easy to use and maintain.

The Segovia series features a beautiful stainless steel finish with a powerful HVI certified 600 CFM blower with 4 speeds. The electronic controls feature speed and light settings as well as a delay timer that automatically turns the motor off after 20 minutes when selected. The dual halogen lights are positioned for total cook top coverage and the lamps are included with the unit.

### About Air King America

Air King is a US based manufacturer of exhaust fans and range hoods as well as commercial and industrial grade high velocity air circulators and other residential building products. Air King utilizes its domestic manufacturing facilities in West Chester, PA, Franklin, TN and Fort Worth, TX along with global sourcing offices to provide high quality products to the residential and commercial markets. Dedication to customer service and producing high quality products is the goal at Air King's North American engineering, design, and customer support centers located in West Chester, PA USA and Brampton, Ontario Canada.
