

IMPORTANT INSTRUCTIONS - OPERATING MANUAL

18" PEDESTAL FAN 18" (45,7 cm) MODEL 9418

Commercial Style fan

WARNING: This fan should be used only in a clean, dry environment. Mounting of this product in any way other than specified in the instruction sheet will null and void the manufacturers warranty.

READ AND SAVE THESE INSTRUCTIONS
READ CAREFULLY BEFORE ATTEMPTING TO ASSEMBLE,
INSTALL, OPERATE OR MAINTAIN THE PRODUCT DESCRIBED.
PROTECT YOURSELF AND OTHERS BY OBSERVING ALL SAFETY
INFORMATION. FAILURE TO COMPLY WITH INSTRUCTIONS COULD
RESULT IN PERSONAL INJURY AND/OR PROPERTY DAMAGE!

WARNING

IMPORTANT SAFETY INFORMATION

When using electrical appliances, basic precautions should always be followed to reduce the risk of fire, electrical shock and injury to persons, including the following:

Read all instructions before using this Fan.

WARNING

TO REDUCE THE RISK OF FIRE, ELECTRICAL SHOCK OR PERSONAL INJURY, ALWAYS FOLLOW THESE IMPORTANT SAFETY INSTRUCTIONS AND WARNINGS:

DO NOT use this fan to ventilate areas where flammable liquids or vapors are used, stored or are present, including paints, gasoline, varnishes, floor refinishing products or solvents. **ALWAYS** read and follow all warnings and instructions on the containers for these products!

ALWAYS be sure the plug fits tightly into the outlet. When plugs fit loosely into outlets, they may slip partially out of the outlet and create a poor connection. This may cause outlets to overheat and create a potential fire hazard. Outlets in this condition should be replaced by a qualified electrician.

ALWAYS unplug the power cord when servicing, cleaning or moving the Fan. **DO NOT** use the ON/OFF switch as the sole means of disconnecting power. **NEVER** leave children unattended when the Fan is on or plugged in. **ALWAYS** turn off and unplug the Fan when not in use.

BE CERTAIN that the power source for the Fan is 120V AC. **DO NOT** plug the Fan into 240V or other power source.

The **Blue Plug™** on your AirKing fan is a safety feature. It contains a non-replaceable safety device (fuse) that should not be removed or tampered with. To reduce the risk of fire, electric shock and personal injury, **DO NOT** attempt to remove, replace, repair or tamper with the originally supplied plug. If the Fan has stopped functioning, it may be due to the safety device incorporated in this plug.

The power cord is equipped with a three-prong grounded plug that must be inserted into a matching receptacle. Under no circumstances should the grounding prong be cut off the plug. Where a two-prong wall receptacle is encountered, it must be replaced with a properly grounded three-prong receptacle installed in accordance with the National Electrical Code (NEC) and all applicable local codes and ordinances. This work must be done only by a qualified electrician, using copper wire only.

DO NOT USE A THREE-PRONG TO TWO-PRONG ADAPTER. IMPROPER CONNECTION MAY CREATE THE RISK OF ELECTRICAL SHOCK. USE OF SUCH ADAPTERS IS NOT PERMITTED IN CANADA.

WARNING: To reduce the risk of fire, electric shock, or injury to persons, do not use replacement parts that have not been recommended by the manufacturer (e.g. parts made at home using a 3D printer).

CAUTION

- **AVOID** the use of extension cords, power strips, power taps, outlet style air fresheners or other cord connected device, as these devices may overheat and cause a fire hazard.
- **DO NOT** route power cord under rugs, carpets, runners or furniture. This may damage the cord or cause it to overheat creating a fire hazard.
- **ALWAYS** place the Fan on a stable, flat, level surface while in operation to prevent the Fan from overturning.
- **NEVER** insert or allow fingers or objects to enter grill openings while Fan is in operation or injury and/or damage to the Fan may occur.
- **DO NOT** block, cover or obstruct air flow to or from the fan while in operation.
- **DO NOT** use this Fan outdoors or near water or wet locations such as a bath tub, pool or hot tub. Use of this Fan in a wet location may create a shock hazard.
- **DO NOT** run cord under carpeting. Do not cover cord with throw rugs, runners, or similar coverings. Do not route cord under furniture or appliances. Arrange cord away from traffic area and where it will not be tripped over.
- **NEVER** use a single extension cord to operate more than one Fan or other electrical device.
- **DO NOT** use this Fan if it has been damaged or is not functioning properly.
- **THIS FAN DOES NOT MEET THE REQUIREMENTS OF NEC ARTICLE 547-7 (2008).** This Fan is not suitable for use in agricultural facilities including areas where livestock, poultry or other animals are confined. Please refer to National Electric Code (NEC) Article 547-7 (2008), or applicable state or local codes or standards relating to electrical requirements for agricultural buildings.
- **THIS FAN DOES NOT MEET THE REQUIREMENTS OF NEC ARTICLE 500 (2008).** This Fan is not suitable for use in hazardous locations. Please refer to National Electric Code (NEC) Article 500 or applicable state or local codes or standards relating to electrical requirements for hazardous locations.

IMPORTANT INSTRUCTIONS - OPERATING MANUAL

DESCRIPTION

The Air King 18" (45,7 cm) pedestal fan features 3-speed rotary knob operation with a 3-paddle fan blade and variable height adjustments. This fan has a permanently lubricated motor with a 9 ft. (2,74 m) 18/3 cord set and is constructed of sturdy, powder coated steel.

SPECIFICATIONS

Motor 120V, 60 Hz
 Blade diameter 18" (45,7 cm)
 Speeds 3
 Control..... Rotary Switch
 Air flow distribution 360°
 Approvals ETL Listed. Close mesh fan guard meets OSHA requirements.

ASSEMBLY

TOOLS REQUIRED FOR ASSEMBLY

- Hex Wrench (Supplied in Parts Bag)

NOTE: ALL HARDWARE REFERRED TO IN THE INSTRUCTIONS MAY BE FOUND IN THE SUPPLIED PARTS BAG.

1. Lay Fan Head on flat surface, so the front side is facing down. Hold Yoke so the side with the nut is facing up. Loosely attach one Grill Knob and one Rubber Spacer to the Head Assembly. Attach the other Grill Knob and Rubber Spacer to the Head Assembly and FIRMLY tighten. Return to the first Grill Knob and FIRMLY tighten (**Figure 1**).

NOTE: THE UPPER PIPE HAS 2 BUMPS, ONE AT EACH END. THE BUMP CLOSER TO THE END OF THE PIPE INDICATES THE TOP. THIS END FITS INTO THE YOKE.

2. Make sure Bump on Upper Pipe is aligned with formed section of Yoke. Insert Upper Pipe into Yoke. To ensure fit is tight, twist Upper Pipe until it is tight inside of Yoke (**Figure 2**).

NOTE: THE UPPER PIPE SHOULD FIT COMPLETELY INSIDE OF THE YOKE.

3. Attach Lower Pipe to Base using Bolt and Split Lockwasher (**Figure 3**). FIRMLY tighten with supplied Hex Wrench.

CAUTION: TO AVOID INJURY, MAKE SURE UPPER PIPE/FAN HEAD IS SUPPORTED WHEN INSERTING INTO BOTTOM PIPE OR ADJUSTING HEIGHT.

4. Make sure Bump on Upper Pipe is aligned with formed section of Lower Pipe. Insert Upper Pipe/Fan Assembly into Lower Pipe and allow it to slide to the bottom of the Lower Pipe. Screw a Pipe Knob into Lower Pipe until it loosely touches the Upper Pipe. Raise Upper Pipe/Fan Assembly to desired height and FIRMLY tighten Pipe Knob.

OPERATION

1. **To Adjust Height:** While holding Top Pipe and Fan Head firmly, loosen Lower Pipe Knob. Adjust Fan up or down to desired height and FIRMLY retighten Pipe Knob.

CAUTION: LAY FAN ON ITS SIDE OR HOLD TOP OF FAN FIRMLY WHEN ADJUSTING HEIGHT. INJURY MAY OCCUR IF FAN IS NOT SUPPORTED.

2. **To Adjust Head Angle:** While holding Head firmly, loosen Grill Knobs on each side of the Yoke (turn counterclockwise). Tilt Head to desired position and FIRMLY retighten Grill Knobs.
3. **To Operate:** Plug cord into a grounded 120V, 60 Hz outlet. Select desired operating speed with Selector on back of Fan.

WARNING: THIS FAN SHOULD BE USED ONLY IN A CLEAN, DRY ENVIRONMENT. MOUNTING OF THIS PRODUCT IN ANY WAY OTHER THEN SPECIFIED IN THE INSTRUCTION SHEET WILL NULL AND VOID THE MANUFACTURER'S WARRANTY.

MAINTENANCE

WARNING: ALWAYS UNPLUG THE CORD BEFORE MOVING OR SERVICING.

WARNING: DO NOT IMMERSE FAN IN WATER!

CLEANING: Use a soft cloth and mild soap solution such as liquid dish washing detergent. Dry all parts completely before reconnecting to power supply.

CAUTION: DO NOT USE GASOLINE, BENZINE, THINNER, HARSH CLEANERS, ETC. AS THEY WILL DAMAGE THE FAN. NEVER USE ALCOHOL OR SOLVENTS.

LUBRICATION: Precision bearings are sealed at the factory for life and do not require further lubrication.

STORAGE: Store the Fan, with these instructions, in a clean and dry place.

DISPOSITION: Corrugated packaging materials are recyclable. For environmentally responsible disposal of this product, contact your local waste service provider or visit www.1800recycling.com®.

CALIFORNIA RESIDENTS ONLY:

WARNING: THIS PRODUCT CAN EXPOSE YOU TO A CHEMICAL [OR CHEMICALS] KNOWN TO THE STATE OF CALIFORNIA TO CAUSE CANCER.

WARNING: THIS PRODUCT CAN EXPOSE YOU TO A CHEMICAL [OR CHEMICALS] KNOWN TO THE STATE OF CALIFORNIA TO CAUSE REPRODUCTIVE TOXICITY.

IMPORTANT INSTRUCTIONS - OPERATING MANUAL

NOTES

LIMITED WARRANTY

WHAT THIS WARRANTY COVERS: This product is warranted against defects in workmanship and/or materials.

HOW LONG THIS WARRANTY LASTS: This warranty extends only to the original purchaser of the product and lasts for one (1) year from the date of original purchase or until the original purchaser of the product sells or transfers the product, whichever first occurs.

WHAT AIR KING WILL DO: During the warranty period, Air King will, at its sole option, replace any part or parts that prove to be defective or replace the whole product with the same or comparable model.

WHAT THIS WARRANTY DOES NOT COVER: This warranty does not apply if the product was damaged or failed because of accident, improper handling or operation, shipping damage, abuse, misuse, unauthorized repairs made or attempted. This warranty does not cover shipping costs for the return of products to Air King for replacement. Air King will pay return shipping charges following warranty replacement.

ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED (INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY), LAST ONE YEAR FROM THE DATE OF ORIGINAL PURCHASE OR UNTIL THE ORIGINAL PURCHASER OF THE PRODUCT SELLS OR TRANSFERS THE PRODUCT, WHICHEVER FIRST OCCURS AND IN NO EVENT SHALL AIR KING'S LIABILITY UNDER ANY EXPRESS OR IMPLIED WARRANTY INCLUDE (I) INCIDENTAL OR CONSEQUENTIAL DAMAGES FROM ANY CAUSE WHATSOEVER, OR (II) REPLACEMENT OR REPAIR OF ANY HOUSE FUSES, CIRCUIT BREAKERS OR RECEPTACLES. NOTWITHSTANDING ANYTHING TO THE CONTRARY, IN NO EVENT SHALL AIR KING'S LIABILITY UNDER ANY EXPRESS OR IMPLIED WARRANTY EXCEED THE PURCHASE PRICE OF THE PRODUCT AND ANY SUCH LIABILITY SHALL TERMINATE UPON THE EXPIRATION OF THE WARRANTY PERIOD.

Some states and provinces do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so these exclusions or limitations may not apply to you. This warranty gives you specific legal rights. You may also have other rights which vary from state to state and province to province. Proof of purchase is required before a warranty claim will be accepted.
