FOR IMMEDIATE RELEASE

**AIR KING EARNS 2024 ENERGY STAR®  
SUSTAINED EXCELLENCE AWARD 6 YEARS IN A ROW**

West Chester, PA – March 26<sup>th</sup>, 2024 – Air King America, LLC is proud to announce that it has received the 2024 ENERGY STAR Partner of the Year—Sustained Excellence Award from the U.S.

Environmental Protection Agency and the U.S. Department of Energy for the 6<sup>th</sup> year in a row. This brings Air King's total number of awards from the EPA and U.S. Department of Energy to 12 in the past 13 years.

The Sustained Excellence award is the highest honor bestowed by the ENERGY STAR program. Winners are part of a distinguished group that has made a long-term commitment to fighting climate change and protecting public health through energy efficiency. They are among the nation's leaders in driving value for the environment, the economy, and the American people.

Air King America, LLC an ENERGY STAR partner, will be honored as a partner of the year for its dedication to producing energy efficient ventilation and indoor air quality products including exhaust fans, fresh air intake and kitchen range hoods.

Each year, the ENERGY STAR program honors a select group of businesses and organizations that have made outstanding contributions in the transition to a clean energy economy. ENERGY STAR award winners lead their industries in the production, sale, and adoption of energy-efficient products, homes, buildings, services, and strategies. These efforts are essential to fighting the climate crisis, protecting public health, and creating a clean energy future for everyone.

Winners are selected from a network of thousands of ENERGY STAR partners. For a complete list of 2024 winners and more information about ENERGY STAR's awards program, visit [energystar.gov/about/how-energy-star-works/our-partners/awards/winners](https://energystar.gov/about/how-energy-star-works/our-partners/awards/winners)

### **About Air King**

Air King is a home comfort company and provider of total home ventilation to the building trades. Product lines span energy efficient exhaust fans, range hoods, and commercial/industrial grade air circulators. Under the umbrella of Lasko Operations, Air King is headquartered and has primary manufacturing in West Chester, PA. For more information, visit [AirKingLimited.com](http://AirKingLimited.com).

### **About Lasko**

Lasko is a leading home environment products company, providing fans, heaters, air purifiers, humidifiers, home ventilation products, water damage remediation products, and more. Lasko has been engineering and building high performance home environment products with leading edge designs in the U.S. and around the world for 115 years. Started in 1906 by Mr. Henry Lasko, the company has grown to an international organization whose products can be found at major retailers and online under the Lasko, Air King, B-Air and Guardian brands. For more information, please visit [Lasko.com](http://Lasko.com) or [AirKingLimited.com](http://AirKingLimited.com).

### **About ENERGY STAR**

ENERGY STAR® is the government-backed symbol for energy efficiency, providing simple, credible, and unbiased information that consumers and businesses rely on to make well-informed decisions. Thousands of industrial, commercial, utility, state, and local organizations rely on their partnership with the U.S. Environmental Protection Agency (EPA) to deliver cost-saving energy efficiency solutions. Since 1992, ENERGY STAR and its partners helped American families and businesses avoid more than \$500 billion in energy costs and achieve more than 4 billion metric tons of greenhouse gas reductions. More background information about ENERGY STAR's impacts can be found at [www.energystar.gov/impacts](http://www.energystar.gov/impacts).
